**Agreement:**

In consideration of the publication of the article indicated above in *The RDS* I assure that the content represents original or unpublished work and has not been submitted for publication elsewhere. All authors named above have contributed to the article's development and have approved the finally submitted version. I hereby transfer the exclusive right to publish the manuscript in print and online (in parts or as a whole, as renewals, extensions or revisions and in any language) to the publisher (Lab & Life Press/SBDR) without any restrictions in time, and allow publication and storage in third party repositories (such as *Medline*, *PubMed* etc.). I am neither allowed to republish the article as a whole or in parts at any other

place nor to distribute copies of the article. I retain the right to use the original results presented in the article and corresponding patents. I assure to refer to *The RDS* as the original source of the article mentioned above in any cases of further utilization.

I assure that this article contains no violation of any third party rights or existing copyright and I indemnify the publisher and the Editors of *The RDS* from any breach of this warranty. In the case of a multi-authored article I declare that I have the authorization of the other authors to enter into this agreement on their behalf.

In signing this form I ensure that any authors not signing this agreement have authorized me to sign on their behalf and that these authors have approved the final version of the article, as it was submitted.

In the case that the copyright of the submitted manuscript mentioned above is owned by someone other than the author (as named above), then I declare that I have the right to transfer the right to publish the article in any manner to Lab & Life Press/SBDR.
